

Hope Technology and Education Center, NFP

WOMEN'S CONFERENCE

PURSES WITH POWER

The purpose is to connect, empower, network, educate, and gain career momentum and opportunity. This is a platform for current and former Hope TEC students, and others to share their stories of success. Hope TEC strives to give the knowledge and necessary tools to encourage all participants to hurdle their roadblocks, extend psychological wings and soar!

Special guest speakers from different occupations attend the conference to speak about their personal empowerment strategies for success, offering encouraging words of wisdom, and lessons learned.

Purses with Power Women's Conference promotes a laptop essay contest for all registered participants to apply, we announce the winner at the event and give them a new laptop. In addition, we provide gifts bags for all the women, a delicious brunch, networking games, prizes, entertainment, and more.
